

Pen and Ink technique

Technical skills needed for pen and ink

Start by doing an online tutorial on beginning pen and ink technique. Put at least two pages of your experimentation with pen and ink practice in your notebooks. <https://www.youtube.com/watch?v=DtPS4Ei-MwE>

https://video.search.yahoo.com/yhs/search?fr=yhs-pty-pty_email&hsimp=yhs-pty_email&hspart=pty&p=pen+and+ink+techniques#id=1&vid=a .

You may want to find your own web tutorial. There are many tutorials on pen and ink technique so look them over and then follow the tutorial you would like to do. Post your media techniques in your research journal.

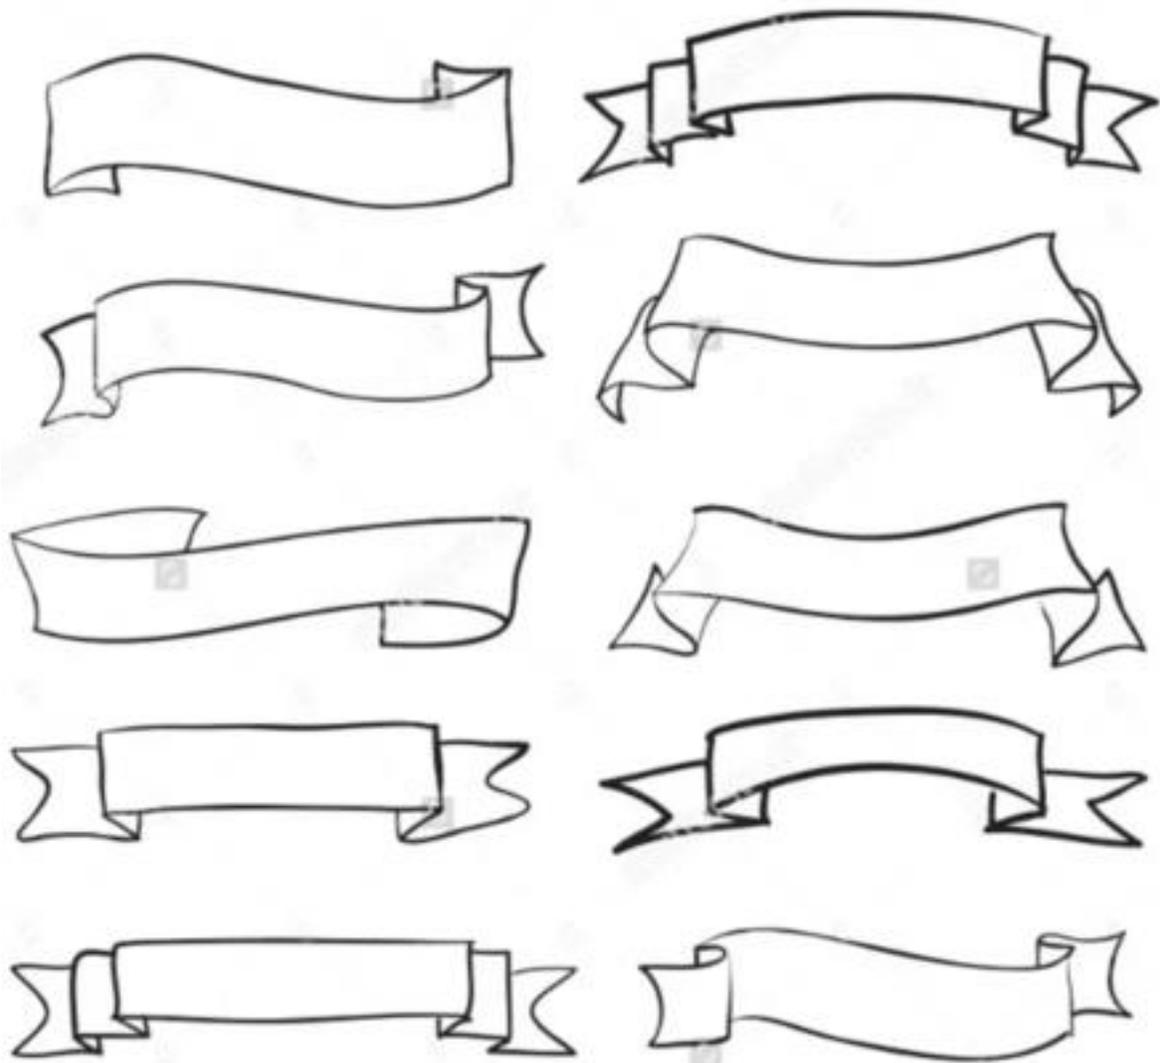

Banners

These images of banners can be used as research. Practice drawing them. It is easy to find tutorials that will take you step by step in drawing different kinds of banners. Copy and past the links below or find your own tutorial. There are many on Youtube.

Pen and ink practice sheet

The link above will give you a copy of this practice sheet. Print it off and practice your pen and ink technique.

Pen and ink practice

Name: Katelyn Moreland
Period: 2 9-8-11
Pen and Ink shading of
spheres

8/10

more gradual
shading

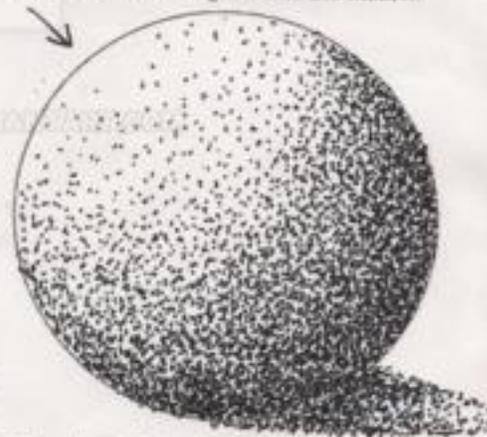

Shade using **HATCHING** (lines do not cross, the closer the line, the darker the value). Should have a light source and shadow.

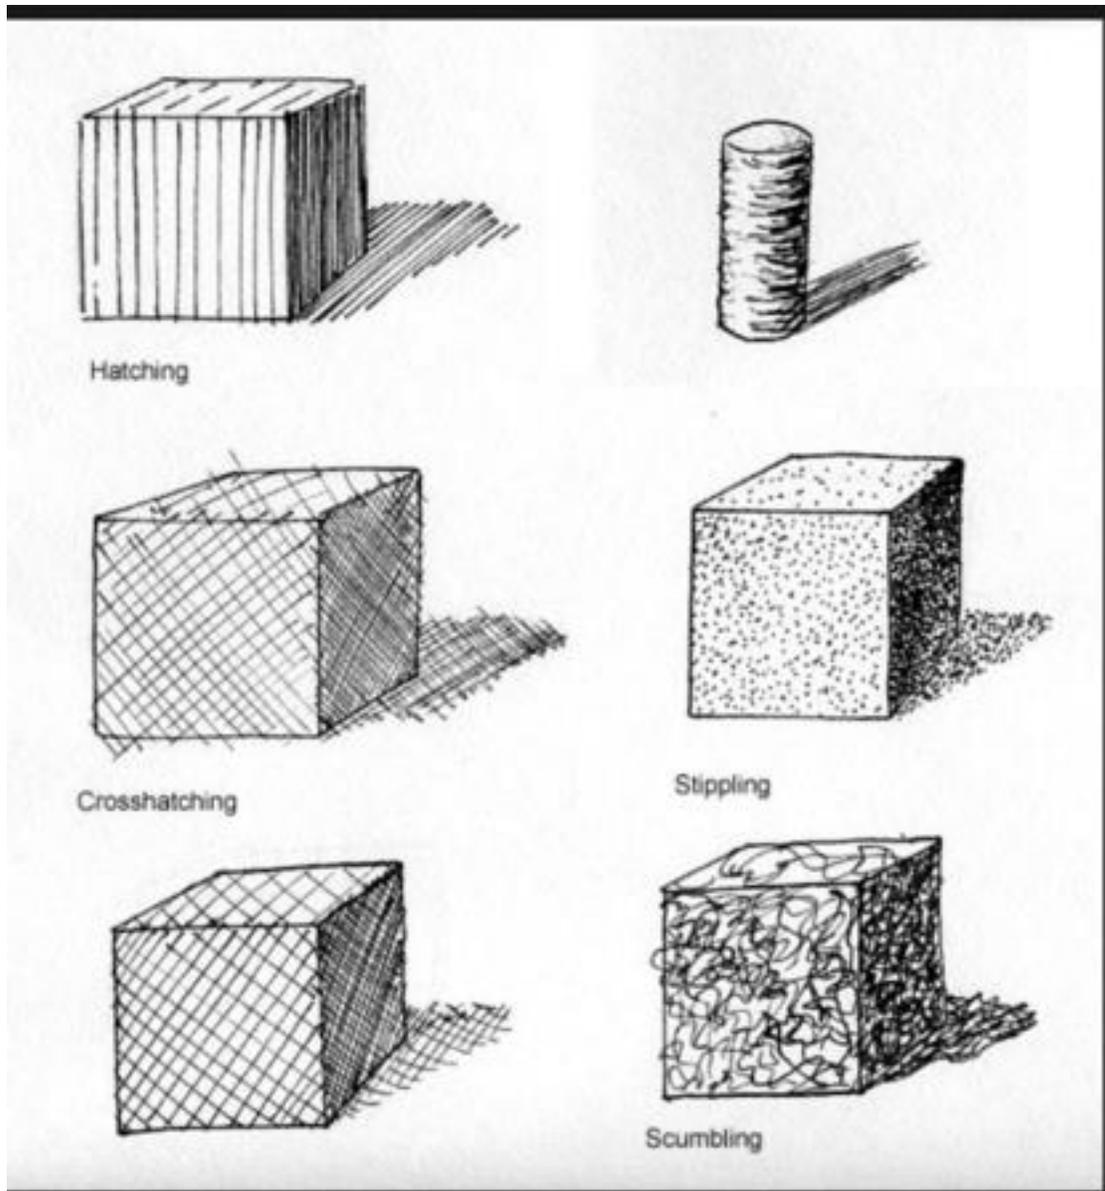

Shade using **CROSSHATCHING** (perpendicular lines). Should have a light source and shadow.

Shade using **SCUMBLING** ("scribbling" in curves and curly q's). Should have a light source and shadow.

Shade using **STIPPLING** (gradual dispersion of neat, small dots). Should have a light source and shadow.

Assignment for the week

Look up tutorials on pen and ink technique and do your own experimentation with the methods you learn. Make two pages of pen and ink practice using the methods that can train you to handle pen and ink well.
